ABOUT FACD

Florida Air Conditioning Distributors is your exclusive York distributor and is committed to bringing a true "one-stop-shop" experience to local HVACR dealers and contractors. With a full spectrum of residential and commercial equipment, along with replacement parts and supplies, our goal is to have the high quality products you need, when you need them. Our massive inventory, experienced customer service and technical support, dealer incentive programs, and the innovative Crane and Sprint Delivery services, are just the beginning. Stop by one of our many convenient locations to see how Florida Air Conditioning Distributors can help make your business more efficient and profitable.
